I acknowledge that participation in the activity described above involves risk to the student (and to the student's parents or guardians, if the student is a minor), and may result in various types of injury including, but not limited to, the following: sickness, exposure to infectious/communicable disease (including COVID-19), bodily injury, death, emotional injury, personal injury, property damage, and financial damage. I acknowledge that the school has put precautions in place to reduce the spread of COVID-19 according to guidelines from the U. S. Center for Disease Control and the Commonwealth of Virginia but understand and agree that the school **cannot guarantee** that the student will not become exposed to or infected by COVID-19.

ACTIVITY PARTICIPATION AGREEMENT

In consideration for the opportunity to attend school, parents/guardians of the student acknowledge and expressly accept the risks of injury and/or illness associated with participation in this activity. Parents/guardians accept personal financial responsibility for any injury or other loss sustained during school as well as for any medical treatment rendered to the student that is authorized by the school. Further, parents/guardians release and promise to indemnify, defend, and hold harmless Denbigh Baptist Church, Denbigh Baptist Christian School, its directors, officers, employees, volunteers, agents, and representatives, for any injury, claim, expense, causes of action, lawsuits, damages and liabilities that I ever have or may have, arising directly or indirectly out of attending school, whether such injury arises out of the negligence of the school, the participant, or otherwise.

Christian Dispute Resolution

Christian mediation should be attempted, but if it does not resolve the dispute then legally binding Christian Arbitration shall be employed by the Deacons of Denbigh Baptist Church, or individuals selected by the Deacons in accordance with the *Rules of Procedure for Christian Conciliation*. Judgment upon an arbitration decision may be entered in any court otherwise having jurisdiction. Jurisdiction and venue shall be the county and state where the school is located and Virginia law will apply to dispute. Members, pastors, staff or third party vendors/contractors shall understand that these methods shall be the sole remedy for any controversy or claim arising against the Church and expressly waive their right to file a lawsuit in any civil court against one another or the Church for such disputes, except to enforce an arbitration decision. In that case, judgment upon an arbitration award may be entered by any court having competent jurisdiction, in conformity with the laws of the Commonwealth of Virginia.

HEALTH SCREENING AND MONITORING DURING COVID-19

The CDC recommends daily health screening for COVID-19 symptoms. An important part of keeping schools safe is emphasizing to all the importance of knowing the symptoms of COVID-19 and encouraging staff and students to stay home if they are ill or have symptoms.

Symptoms of COVID-19

People with these symptoms or combinations of these symptoms may have COVID-19:

- Cough
- Shortness of breath or difficulty breathing
- Fever (CDC defines this as 100.4F or greater, or when one feels warm to the touch, or gives a history of feeling feverish)
- Chills
- Muscle pain
- Sore throat
- New loss of taste or smell
- Other less common symptoms have been reported, including gastrointestinal symptoms like nausea, vomiting, or diarrhea.

COVID-19 Daily Screening Questions

Staff should assess themselves and students should be assessed by parents for symptoms of COVID-19 before reporting to school each day. It is not necessary to print this checklist and bring it to school.

Answer “YES” or “NO” since your last day at school:

- Have you been exposed to a person with COVID-19 over the past 14 days?
- Do you have a new fever (100.4°F or higher) or a sense of having a fever?
- Do you have a new cough that cannot be attributed to another health condition?
- Do you have a new shortness of breath that cannot be attributed to another health condition?
- Do you have new chills that cannot be attributed to another health condition?
- Do you have a new sore throat that cannot be attributed to another health condition?
- Do you have a new loss of taste or smell?
- Do you have new muscle aches (myalgia) that cannot be attributed to another health condition or specific activity (such as physical exercise)?

If there is a “YES” answer to any of the screening questions, the staff member or student should stay home and not come to school.
