

## DBCS Cafeteria Lunch Procedures

Lunch orders are taken in the morning during homeroom. Students may purchase lunch by one of three methods: cash, check payable to DBCS, or with an SLC (School Lunch Card). All food items must be paid for at the time of purchase. **Charging will only be allowed in an emergency.** In such cases, students may charge one school entrée and a snack. Restaurant items may not be charged. A charge slip will be sent home and must be paid the following school day.

### SLC (School Lunch Card) Guidelines:

- Cards may be purchased daily during lunch or in the morning in the school office.
- Each card costs \$20.00. Multiple cards may be purchased but must be in increments of \$20.00.
- For families with more than one student, a separate SLC must be purchased for each child. The total cost for these cards may be paid with one check, but please send a note explaining who the cards are for along with their grade.
- High School students will be given their cards and are responsible to present them at the time of purchase. DBCS is not responsible for lost or stolen cards.
- Pre-school, Elementary, and Middle School SLCs will be kept in a secure place at school, and the cafeteria staff will be responsible for them. An SLC will be sent home when it has a zero balance to convey the message that a new card is needed. Parents may inquire about the balance of their child's card at any time by sending a note to school with their child.

### Miscellaneous Items:

- Microwave ovens will be available for students in grades 4-12 to use. This is subject to change due to state, federal, or CDC guidelines.
- Parents should send plastic ware or the like with students when needed.
