

UPDATES TO SCHOOL RE-OPENING PLAN FOR 2020-2021 YEAR

- 1) Change from daily temperature checks in car line each morning to asking parents and students to answer the daily screening questions each morning prior to attending school. See the document entitled "Health Screening And Monitoring During COVID-19".

Effective as of September 8, 2020

- 2) On Friday, November 13, Governor Northam updated some of the COVID-19 requirements in Virginia. Because of the new guidance, students **ages five and over** will now need to wear face masks or face coverings when in public settings. Based on our school re-opening plan, students **ages five and over** will need to wear face masks or face coverings when in hallways, when in public indoor areas, and when in classrooms if 6' of physical distancing is not possible. Face coverings are not required during recess or during physical education classes.

Effective as of November 17, 2020
